

Modeling Opportunity

Thousand Oaks, California – Boudoir and Glamour session

This modeling opportunity is being offered to the beginning model. It is an opportunity to help build the models portfolio and to practice her modeling skills in front of the camera. The reason for this photo session is for the photographer to create some new looks to add to his Boudoir and Glamour Studio portfolio. This opportunity is a basic “training exercise” to test new ideas, poses, props, outfits, camera settings, lighting, etc.

The ladies that I seek for this shoot do not need to be experienced models. They need to be willing to put in some quality time working on various poses and ideas, and self confident in their ability to model in revealing outfits. As you can see in the photos on my website, there will be some topless poses and some nudity, but I promise that everything will be done very tastefully. The modeling will be basic standard poses. (see some Sample Photos below)

1. Open to Females - Ages 18 – 39 (ID required)
2. Beginners welcome – No experience required
3. Model will do her own make-up and hair styling
4. Some outfits will be provided – model will bring additional items
5. Shoot will last 3-4 hours
6. Model Release required
7. Compensation is (10) Digital Photo files from your photo session to use in your portfolio. Re-touched if requested.

If you are looking for a fun time modeling and a great opportunity to get some awesome new looks for your portfolio then this is an experience that you don't want to miss.
